

iBlock Group

Advancing digital capabilities in mission-driven organizations, in service of a more *just and equitable* world

COMPANY OVERVIEW

iBlock Group is an **award-winning digital native firm** with **niche expertise** at the intersection of **policy, business and technology**.

We are a trusted advisor to the change makers. Our cross-functional team of experts bring 30+ years of cumulative experience working with public-private partners.

We support mission-driven organizations in scaling their impact through **IT governance, risk management and digital modernization**.

Our team is proven at **overcoming human capital and enterprise risk challenges associated with organizational change**.

DIFFERENTIATOR

- ✓ **Best-value Consulting and Training partner**, helping to achieve measurable cost and efficiency savings for client organizations.
- ✓ Independently-certified in **Information Security Management System-ISO 27001** and **IT Service Management ISO 20000-1**, iBlock Group is trusted by leaders to manage digital modernization efforts on par with international standards of excellence.
- ✓ **Established Partnerships** with academic institutions and commercial firms to support our customers in building and scaling their internal capacity.
- ✓ **Committed to the principles of Diversity, Equity and Inclusion (DEI)**, working to close opportunity gaps in access to knowledge and capital.
- ✓ **Award-winning Corporate Social Advisory Services**, helping Fortune 500 companies align their CSR objectives with business strategy.
